* * *

ORDER:

In the D.O first read above, the Director General, Central Statistical Organisation(C.S.O), Ministry of Statistics and Programme Implementation, Government of India, New Delhi has informed that, in view of the need to develop a Statistical Database on Disasters in India, the Central Statistical Organisation (CSO) in collaboration with the National Institute of Disaster Management developed a framework for compilation of post disaster statistics covering all type of disasters, which are notified by the competent authorities. While communicating the framework, the Central Statistical Organisation has requested to initiate necessary action for collection of information on disasters for creating a database at the State level through the Directorate of Economics and Statistics and at the district level through the Chief Planning Officers.

2. In view of the suggestions made by the Central Statistical Organisation, the Director, Directorate of Economics and Statistics, in his letter second read above, has submitted proposals for constitution of State Level and District Level Technical Coordination Committees involving concerned line departments for smooth and regular flow of disaster data.

3. The Government, after careful examination of the proposals of the Director, Directorate of Economics and Statistics, issue the following orders constituting the State Level and District Level Technical Coordination Committees for smooth and regular flow of data for the Development of Data Base on Disaster Statistics as follows:
